

An Important Message for the Babies

Here's an important message
for the babies.

We want you to know that when you
are with us our job is to keep you safe.
Whatever you need to do while you
are here is ok.

Our job as the big
people is to be with you,
listening to you to try to
understand what you might be
feeling and need. We will always do our
best to let you know what is
going to happen next and we will ask your
permission before we touch you.
We will listen to you through the signs
you show us: your sounds,
movements, facial expressions,
and gestures.

If you need to cry,
that's ok too.

If you feel tired,
it's ok to sleep.

If you feel hungry,
it's ok to feed.

If there is something that doesn't feel
right for you we'll listen, and talk about
that, then we'll try to help you to feel
better. We hope you and your grown
up enjoy this space together. While
you are here we hope we'll all have
some fun together.
This is a safe place to share, learn from
each other, and grow.
