Let's go for a picnic with  
Ollie to his Treehouse in  
the forest.

We could munch banana  
sandwiches and swing  
around the trees.

Let's go for a picnic with Ollie to  
the bottom of the ocean.

We could share a pot of tea with  
an octopus and whale.

Let's go for a picnic with  
Ollie to the end of the  
rainbow.

We could eat yummy  
fruit salad and find the  
pot of gold.

Let's go for a picnic with  
Ollie into space where all  
the stars live.

We could meet with friendly  
aliens and gobble up moon  
pies.

Let's go for a picnic with Ollie to a shiny  
Fairy Castle.

We could make magic wishes and have  
some fairy bread.

Let's go for a picnic with  
Ollie to the mountains.

We could sit around  
a campfire, toast  
marshmallows, and sing  
songs.

Let's go for a picnic with Ollie today.

- What kind of picnic will it be?
- Where will we go?
- Who will we invite to come along?
- What yummy foods and drinks will we share?
- What fun games will we play with each other?
