

This is an opportunity to reflect on the current application of the SMART PRACTICE framework across your site. This tool can also be used to plan further implementation strategies as a site plan. It is acknowledged that not all areas will be relevant to all sites however each area has value in terms of a holistic application of the skills and knowledge underpinning SMART PRACTICE.

In the following table, list strategies, policies or other processes that are currently undertaken that support each of the listed groups in each of the elements of the SMART PRACTICE framework.
