

## Holding the child at the centre...

*How does this information help me make sense of the child's experience?  
What can I do to support healing?*

I need safe and  
attuned  
RELATIONSHIPS

I need to MAKE  
MEANING of my  
world

I need to feel  
SAFE

I need connection to  
my CULTURE

## ▲ Holding the child at the centre...

*How does this information help me make sense of the child's experience?  
What can I do to support healing?*

I need safe and  
attuned  
RELATIONSHIPS

I need to MAKE  
MEANING of my  
world

What's  
happening  
in my  
brain?

What's  
happening  
in my  
body?

I need to feel  
SAFE

I need connection to  
my CULTURE
